Gareth Stevens Publishing, United States, 2014. Paperback. Book Condition: New. 215 x 213 mm. Language: English . Brand New Book. The Bigfoot Trail in northwestern California got its name because of hikers accounts of glimpsing large, hairy, humanlike creatures living in this area. This book entices readers to come along on this forbidding trail, if they dare. The Bigfoot Trail is long but, because many parts aren't well traveled, hikers and readers get to experience a truly wild side of the United States. They'll learn about blood-sucking fish called lamprey, fierce creatures such as black bears and wolverines, and beautiful mountains, rivers, and valleys. If Bigfoot lives along this trail, it picked a perfect place to hide!.
