*This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Peter Pauper Press, 2017. Hardback. Condition: New. Language: English . Brand New Book. A symbol of transformation, the dragonfly has long inspired artists such as fantasy illustrator Stephanie Law. Let her gorgeous Indigo Dragonfly design inspire your own imagination! The perfect complement to your pen, this inviting journal provides plenty of space for personal reflections, sketching, and writing down favorite quotations and poems. Lightly lined acid-free archival-quality paper takes pen or pencil beautifully. Dragonfly soars above a cluster of poppies and a tranquil pool; aquatic creatures swim below. Delicate gold foil detailing illuminates the design. Raised embossing lends a dimensional effect. Interior endsheets in light tropical indigo complement the design. A matching elastic band attached to the back cover helps you keep your place or keeps journal closed. Convenient inside back cover pocket is perfect for notes, business cards, etc. Popular small-format size (5 inches wide by 7 inches high) fits easily in most bags and backpacks. 160 pages.
