The dawn of a new saga about the future is here. It is now! Is it you? CyPhrons: In Search of the Remnant is an incredible sci-fi story about hope, faith, and perseverance in a time unyielding and vast. CyPhrons live within imaginary worlds called Networmls that contain vast numbers of communities called CyPherons. The Reality networml is where this story begins in the year 2050, and the only thing these cyphrons know about their past is that they are from the Time of the Earth. The renegade cypheron called Virtual-X was formed by the Legend of Fuzzy Funk to bring order and balance into the Reality s super-secret-cipher-society ruled by CypherGov. Virtual-X exists to represent The Power That Is and their mission is to recover, preserve, and restore the Remnant, which is the legendary reference to a so-called constitution or code that cyphrons once followed before CypherGov came into power. They are challenged by The Power That Is Not whose members are called Scamrons, thought to be led by the legendary ViPrey skink.E-Nebuli. Fuzzy Funk created...
