Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered, -What am I really supposed to do with my life?- Or, -What is my real purpose in life?- If you have ever asked those, or similar questions, then Your Journey Of Being is the book for you! When you re just starting out in life, you have lots of options, but sometimes the reality of what seems possible, and your desire to truly live a life of passion and purpose can seem light years apart. I ve been there, I know how it feels. I can remember the day I woke up, asking those same questions. And it wasn t until my best friend died at just 36 years old that I found the answer. I d like to tell you more about how I figured out my own life purpose, and how you can too! I m not talking about quitting your job, and making drastic moves in your life. I m talking about asking yourself the real important questions, like: -If I could wake up every day and do something that was rewarding and made me happy, what would that be?- Or -I only have one life to live. What type of life would I like to live, and what type of difference would I like to make with my one opportunity?- You ll ask those, and many more questions like that of yourself, and answer them, in Your Journey Of Being - The ABC s of Success. Yet life isn t just about asking the right questions and giving the right answers. Life is about making a plan to live the life you want to live, and taking the actions necessary to live...
