REMEMBER. June 15-17 IF you were studying by an old smoky oil lamp and suddenly modern, sun-like MAZDA lamp were thrust into the room, the contrast would be dazzling. That instant would unfold the result of thirty years development, research and manufacturing in electric lighting. And this development commenced with Edisons first lamp)--hand-made, when electricity was rare. The General Electric Company was a pioneer in foreseeing the possibilities of Edisons invention. Electric generators were developed. Extensive experiments led to the design and construction of apparatus which would obtain electric current...
