Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I decided to offer a more cost effective version of my Devotional Whispers In The Woods so the interior pictures are all BLACK AND WHITE and NOT full color in this version. This marvelous little devotional book teaches us about God s principles for our lives through the stories of the outdoors and God s creatures. It is amazing how Stan Lake has taken the lessons of life expressed in and through animals, insects, and nature to show with scripture the truth of God s creation. I met Stan when he was a student with us at the Vision for Evangelism for the Next Generation weekend at the Billy Graham Library. His heart is truly that others might know the One who created all. Stan uses nature and the Creator s words to share creative devotions to build His Kingdom. Tom Phillips Vice President, Billy Graham Evangelistic Association Billy Graham Library It is with great pleasure I highly recommend STAN LAKE s wonderful book, WHISPERS in the WOODS! He found me through social media, gave a whisper in the dark, and as fate would have it, through his persistence and my time availability, I was able to read it. I was thoroughly expecting a very worthy but holier than thou approach- boy was I ever wrong! Stan has captured the most wonderful Essence of Nature and the Great Spirit in a way that connects us too our roots and Mother Earth, while touching our hearts and spirits with kind and wise words that refresh, nourish and tickle all at the same time. That is no small accomplishment. I am sure Stan would say, he had a guiding hand!...
