Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Risk! There are all kinds. Sometimes risk is just another word for adventure. Do you prefer the comfort of what is familiar or do you crave new experiences? It s a matter of attitude. Stimulus! Your anxiety rises. The rush of adrenalin and the release of endorphins in your body creates excitement. But how does the brain process and interpret the stimulus? Are you thrilled, or are you scared or agitated? Does it block your cognitive reasoning? Do you become nervous and start to panic? Are you among the few who can measure and control your emotions and reactions in the spur of an excited moment? The only way we find out the answer to that question is to face a life and death situation - and survive. So, here you are. You worked hard and sacrificed the present for your future. You become a lawyer. You meet a great gal and you fall in love. You get a great job with great opportunity in a growing and vibrant company. Management likes you, and you are on a fast-track to promotion. You find great opportunities to learn and develop your skills. Everything is just peachy keen. Then, one day, a new opportunity arises. It s a big money-making opportunity for the company. It s a huge construction project in a foreign country. The government of that foreign country wants your company to build this thing for them because they don t have the expertise to do it themselves. Your company has never done work in a foreign county. Your company has never performed a project for someone else s benefit. By the way, it s a third-world country. Its modern history is...
