

## Donald Trump: How He Won the 2016 Election (Paperback)

By Jm Shepal

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Donald Trump, also known as The Donald , has been making headlines all over the globe since he took over his father s company in 1971. Over the last 40 years, he has been one of the darlings of the media, and has never been too far away from the spotlight. His many forays into the real estate and investment world brought him worldwide acclaim and though the business magnate has had a few failures along the way, he has always come out on top. He always seems to go from strength to strength, constantly making the best of what many may see as a bad situation. However, his business savvy has not been restricted to investments and real estate, and he has spread his influence to many other facets of our lives, including entertainment (with shows like The Apprentice and its various spin-offs, as well as various beauty pageants such as Miss USA) and politics.
