Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Euripides is known in literature fiction circles as a Greek tragedian of classical Athens. Euripides is one of the few whose dramas plays have survived. Ancient medieval scholars have attributed 95 dramas plays to Euripides, of which 19 are known to have survived more or less complete. Euripides is identified with theatrical innovations that have profoundly influenced drama plays down to modern times. He was unique among the writers of ancient medieval Athens for the sympathy he demonstrated towards all victims of society, including women. Helen a romantic drama play centers on Helen who receives word from the exiled Greek Teucer that Menelaus never returned to Greece from Troy and is presumed dead, putting Helen in the perilous position of being available for Theoclymenus to marry, and she consults the prophetess Theonoe, sister to Theoclymenus, to find out Menelaus s fate. Helen s fears are allayed when a stranger arrives in Egypt and turns out to be Menelaus himself, and the long-separated couple recognize each other. The Helen drama play was first produced in 412 BC.
