HarperCollins Publishers Inc, United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From bestselling author Suzanne Enoch-a governess is tempted by the forbidden passion of a seductive earl in this blistering romance in the With This Ring series A governess must never be alone with a man (her reputation mustn't have even a hint of scandal). She never questions her employer's commands (even when he's tempting her to forsake respectability for desire?). She must never, ever fall in love with someone above her station (especially a rake-no matter how devastating his kisses may be) .If it weren't for that unfortunate incident at her last position, Alexandra Gallant wouldn't now be forced into the employ of Lucien Balfour. The sinfully attractive earl hired her to teach his young cousin, but his seductive whispers and toe-curling kisses suggest he has something far less respectable in mind .And that will never happen. For although Lucien seems determined to teach her about pleasure, she has a few lessons to teach him about love!.
