Maidin Works, United States, 2012. Paperback. Condition: New. Stephanie Snyder (illustrator). Language: English . Brand New Book ***** Print on Demand *****. A great coloring book of a classic story retold with a new twist and a happy ending. A story adults and children can enjoy together. Children will learn important life lessons while they learn to color. It is very funny and a little scary. While they enjoy coloring the characters and scenery they will learn about personal safety, responsibility, friendships and a healthy lifestyle. What happens when Goldilocks has a conscience and when she becomes Silverlocks? How the best gifts could have unexpected results? How small changes can change your life in a big way. Recommended for children of all ages, parents, grandparents and teachers.
