

A Dictionary of Research Methods (Paperback)

By B. N. Ghosh, Parvesh K. Chopra

Wisdom House Publications Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This dictionary delineates the meaning and use of various concepts, techniques, tools, approaches, types and processes of social research. It also incorporates various issues and problems related to research. A large number of entries relating to mathematical and statistical aspects of research are used so as to help the researcher in the successful formulation, analysis and execution of the research design and carry the same towards its logical end. This books makes use of approximately 650 entries on the important concepts and precepts of research with cross references where necessary. It covers the whole range of terms used in social science research. The entries are given precise but full treatment. This dictionary defines as well as explains the matters pertaining to social research. B.N. Ghosh, PhD (India), M.CIM (UK), GFCR (Harvard), is currently a Professor of Economics, Eastern Mediterranean University, North Cyprus. A specialist in Human resource Development and Political Economy, he has published extensively in refereed journals. His books are published, among others, by Arnold Heinemann, Longman, Macmillan, Routledge, Nova Science Publications of New York, Ashgate Publishing and Wisdom...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
