Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Santa Ana, CA: Graphic Publishers, 2002. Soft cover. Condition: New. 1st Edition. Octavo, 139 pp., indices. Companion volume to "Busing--Not Integration--Opposed" and "Liberate Public Schools from Government by Lawsuit," this "Handbook" was designed to assist parents and their children living in the more than 500 districts still subjected to racial assignment under antiquated "desegregation" orders. Now parents, and their counsel, can follow in the author's footsteps to success in restoring local control of the public education of their children according to the United States Constitution. New copy.
