Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In The dark depths of a Scots winter, A Pale Shadow Creeps. From Its tomb of stones and broken bones; It rises into the cold and forsaken night. This shade, has a dire purpose. For it to live again its place must be taken beneath The Cairn from which it rose. Whosoever wakened it or one of their choices shall take its place beneath the wet sod of the Argyll hills. Rob is too busy enjoying his new home. He worries about the novel that he needs to write, the money he needs to earn and the new love that he has found. Threats from shades, shadows or wraiths are not something he takes seriously. But he should. Raymond walker again jumps genres with ease creating a very current ghost story with a rather Faustian feel. A romance that will leave you spellbound whilst darkness falls and shadows haunt ancient Scotland, Its standing stones cairns and sepulchres. Rob thinks about love and life and money and never worries about the scratching at the door, the howling in the night and the very strange dreams he has been having. But he should.
