ZONDERVAN, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Many believers accept traditional Christian sexual morality but have very little idea why it matters for the Christian life. In Faithful, author Beth Felker Jones sketches a theology of sexuality that demonstrates sex is not about legalistic morals with no basis in reality but rather about the God who is faithful to us. In Hosea 2:19-20 God says to Israel, I will take you for my wife forever; I will take you for my wife in righteousness and in justice, in steadfast love, and in mercy. I will take you for my wife in faithfulness; and you shall know the Lord. This short book explores the goodness of sexuality as created and redeemed, and it suggests ways to navigate the difficulties of living in a world in which sexuality, like everything else, suffers the effects of the fall. As part of Zondervan's Ordinary Theology series, Faithful takes a deeper look at a subject Christians talk about often but not always thoughtfully. This short, insightful reflection explores the deeper significance of the body and sexuality.
