AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book contains a collection of Zahra s thoughts, emotions and actions arising from the depths of her soul. Like most of us, she s been dangerously in love, betrayed, angry, disappointed and even inspired only to emerge more enlightened through her experiences. She knows where she s been and embraces each new day to see where it will lead. Her belief in God allows her to fearlessly tackle the challenges that she encounters daily. She strives to be the spiritual embodiment of the virtuous woman. I think that every woman can identify with Zahra and envision her emotions as she expresses her life through words.
