

The Venusian Gambit: Book Three of the Daedalus Series (Paperback)

Filesize: 4.09 MB

Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Junius Herman)

THE VENUSIAN GAMBIT: BOOK THREE OF THE DAEDALUS SERIES (PAPERBACK)

NIGHT SHADE BOOKS, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. In the year 2135, dangerous alien life-forms freed in the destruction of Saturn's moon Enceladus are making their way toward Earth. A task force spearheaded by Lieutenant Commander Shaila Jain is scrambling to beat them there while simultaneously trying to save crewmember Stephane Durand, who was infected during the mission to Saturn and is now controlled by a form of life intent on reopening a transdimensional rift and destroying the human race. But Jain doesn't realize that the possessed Stephane has bigger plans: beaming critical data to other conspirators suspiciously heading not for Earth, but for Venus . . . In 1809 a Napoleonic era far different from our own the French have occupied England with their Corps Eternelle, undead soldiers risen through the darkest Alchemy. Only the actions of Lord Admiral Thomas Weatherby and the Royal Navy have kept the French contained to Earth. But the machinations of old enemies point to a bold and daring gambit: an ancient weapon presumed lost in the jungles of Venus. Now Weatherby must choose whether to stay and fight to retake his homeland, or pursue the French to the green planet. And Shaila must decide if it's possible to save the man she loves, or if he must be sacrificed for the good of two dimensions. In the dark alien jungles of Venus, humanity's fate in both dimensions hangs in the balance forcing past and present to once again join forces against an ancient terror. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and...
