

## Metaphorical Society: An Invitation to Social Theory

By Daniel Rigney

Rowman & Littlefield Publishers. Paperback. Condition: New. 254 pages. Dimensions: 8.9in. x 5.8in. x 0.6in. This book introduces the novice reader to modern social theory through the creative exploration of eight major metaphors that have shaped Western understandings of human society. Rigney vividly yet concisely examines each major theoretical perspective in sociology, including functionalism, conflict theory, rational choice, and symbolic interactionism. He shows how each of these theories is rooted in a particular metaphorical tradition. Over decades and centuries, Rigney argues, social theorists have variously likened societies to organisms and living systems, to machines, battlefields, legal systems, marketplaces, games, theatrical productions, and discourses. Most interestingly, Rigney deftly shows how nearly all Western social theories fit with one or more of the metaphors. He emphasizes a humanistic understanding of society with an emphasis on the creative agency of social actors and communities. The book offers students a rich understanding of social theory, yet it is simultaneously concise and broad ranging, allowing instructors to further pursue detailed exploration of any perspectives they choose. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.*

-- Justus Hettinger
