Page Publishing, Inc., 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is about the Life history of the Clintons including their passion, love, and caring for the less fortunate members of the world. The Clintons life is a lesson that should be taught in every school showing how to confront hatred with love, humiliation with humility, endurance in spite of constant bullying and how to become a successful and triumphant leader in the face of your enemies. No wonder why the whole world loves the Clintons. No other president dead or alive have reached the same world recognitions as the Clintons. I started writing this book in the 1990 s during the first year of Bill Clinton in the White House. It has gone through many publishers for publication before finally getting to Page Publishing, Inc. Hillary Clinton, during the most challenging moment in the presidency of her husband she single-handedly saved his presidency and saved the world from losing the greatest president who has ever ruled the US. Bill Clinton was envied, hated, humiliated, and targeted for total destruction by his enemies. She is the most qualified presidential candidate in the United States and she should be expecting strong attacks from the media and male dominated political aspirants. Hillary Clinton is the most well qualified candidate for the US presidency with wealth of both domestic and international experience and connection which will be highly needed during this most dangerous period in...
