Orion Publishing Co, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. For all the strange worlds borne of his vast and vivid imagination, Philip K. Dick was largely concerned with humanity s most achingly familiar heartaches and struggles. In OUR FRIENDS FROM FROLIX 8, he clashes private dreams against public battles in a fast-paced and provocative tale that ultimately addresses our salvation both as individuals and a whole. Nick Appleton is a menial labourer whose life is a series of endless frustrations. Willis Gram is the despotic oligarch of a planet ruled by big-brained elites. When they both fall in love with Charlotte Boyer, a feisty black marketer of revolutionary propaganda, Nick seems destined for doom. But everything takes a decidedly unpredictable turn when the revolution s leader, Thors Provoni, returns from ten years of intergalactic hiding with a 90-ton protoplasmic slime that is bent on creating a new world order.
