DRAGON CAMP (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An illustrated adventure story for pre-teens from the award-winning author of Emotional Orphans! * * A fun book for kids that entertains and teaches at the same time. FULL-COLOR ILLUSTRATIONS on the Dragon Camp Blog: and on INSTAGRAM: dragoncampbook Deceptively simple and beautifully illustrated, Dragon Camp powerfully illustrates the magic of healing relationships. This engaging story follows a group of irascible dragons - the kind most people I ve up on as hopelessly irredeemable - and their novice camp counselor, Max, through their adventures at Dragon Camp. As each dragon faces his or her personal challenges under the caring and perceptive eyes of the camp s hosts, suspicion and hostility give way to self-compassion and hope. Wisdom, glittering like gemstones strewn throughout the story, draws on deep understandings derived from both sides of the healing relationship. On the way to finding validation and acceptance of their deep-seated feelings of anger, grief, and alienated loneliness, the youthful dragons learn that mistakes are how we learn and that anything is possible when we truly believe in ourselves. Their transformation from delinquents to dragons deserving of second chances and fresh starts builds on a deep belief in their potential conveyed by teachers who, importantly, see through the fault to the need. Dragon Camp carries a message of hope to young people in deep need of help, and to those who would seek to help them. - Nancy Vanderheide, Ph.D., Psychoanalyst and Author * * * Cate Shepherd, as usual, writes with great heart. Her novel, Dragon Camp about a group of delinquent and semi-delinquent juvenile dragons at summer camp made me feel as if I were being warmly embraced even while its campers got...
