Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Title: AMERICA ON THE BRINK. was chosen to call attention to the deterioration that has nearly cost us our Democracy. Some of the reasons are given in the division of points that have been made in this book. They include Leaders and Leadership, referring first of all to the current makeup of both houses of Congress, whose history will go down as one of the most destructive on record, to date. The makeup of this Congress is riddled with corrupt members that have been paid by the Koch brothers, who own the second largest private enterprise. The Koch brothers, empire started 80 years ago, when their grandfather Harry Koch moved to America, from the Netherlands and settled in a remote area in Texas. In 2014, Rolling Stone magazine printed the story under the title: Inside The Koch Toxic Empire. The story moves on as they describe the Koch history. The chief goal of the empire as it grew, was to make money. Under Harry the company expanded rapidly by investing in a wide variety of businesses, including the railroad...
