OPENCART 1.4 TEMPLATE DESIGN COOKBOOK

Packt Publishing. Paperback. Condition: New. 328 pages. Dimensions: 9.2in. x 7.5in. x 1.0in. Over 50 incredibly effective and quick recipes for building modern eye-catching OpenCart templates. Customize dynamic menus, logos, headers, footers, and every other section using tricks you won't find in the official documentation. A great mix of recipes for beginners, intermediate, and advanced OpenCart template designers. Develop and customize dynamic, powerful OpenCart templates to make your website stand out from the crowd. Fully customizable administration theme for OpenCart. In Detail. Templates in OpenCart provide a powerful way to make your site look exactly the way you want either using a single template for the entire site or a separate template for each site section. Although it sounds like an easy task to build and maintain templates, it can be challenging to get beyond the basics and customize templates to meet your needs perfectly. Get to grips with the basics of template design for OpenCart such as changing the logo and altering color schemes for your templates. Understand OpenCart concepts such as module chrome and template positions. Create custom error templates for your website. Style OpenCart's search results and customize OpenCart's breadcrumb trail. Customize the look and feel of your OpenCart website's administration panel to match either your business or client identity. Use the jQuery JavaScript library to enhance your OpenCart template. Make use of a wide range of miscellaneous tips, tricks, and tasks to help get your OpenCart website one step closer to perfection. Create custom menus using multiple approaches and techniques. First we will install OpenCart. Then we will get familiar with the ways to modify the store configuration. After that we will start styling our OpenCart store by resetting all the browser settings. We will create a banner image step by step. We will control the positioning...
