When the sweet little old lady down the road dies and leaves Nick half ownership of her house, he really has no idea what he's getting into. His co-owner, Lindsey, gives every appearance of being Nick's dream girl . smart, talented, funny, and drop-dead gorgeous. But Lindsey has a secret. And when Nick finds out, his fantasies of dream-girl romance get turned upside-down. He's already signed on to remodel the house with Lindsey and flip it for a big profit. They're going to be in constant, almost daily contact. She's absolutely perfect in every way but one. Only that one is a doozy. Will Nick be able to make things work with a woman whose equipment isn't what he expected? Will Lindsey open up after a lifetime of misunderstandings and bigotry? Is this house flip headed for a happy ending . or a wrecking ball? Big Flipping Deal is a highly charged erotic romance full of humor, heart, and the opening of minds. The story is intended for adult audiences only.
