Sewer Gas and Its Influence Upon Health: Treatise (Classic Reprint) (Paperback)

By H Alfred Roechling

Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Sewer Gas and Its Influence Upon Health: Treatise Although a great deal has been written at one time or another about the influence sewer gas exerts upon health, yet, in the author's opinion, the published information has dealt invariably only with one or two aspects of this question, and not with the whole, and the student of sanitary science was left to grope his way in the dark, as it were, and without guide through this apparent chaos, emerging therefrom probably after having formed a very one-sided opinion. This state of things the author has endeavoured to remedy in the treatise before the reader, and although he is fully aware that great gaps still exist in our knowledge concerning the subject, he hopes he has succeeded in shedding some light upon it, and upon the way that will lead to its ultimate elucidation. Questions affecting Nature and the processes by which she works her marvellous changes Should, in the author's Opinion, not be looked upon from one standpoint only, but ought to be viewed in their entirety...
