Vaso peptides: Chemistry, Pharmacology, and Pathophysiology (Paperback)

By Nathan Back

Springer-Verlag New York Inc., United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The dynamic state of developments within the field of the vasoactive polypeptides is reflected in the continuous series of publications appearing on this topic. Thus, the proposal to convene another symposium only two years after the 1969 Fiesole Symposium (Plenum Press, 1970) was received enthusiastically and with high expectation. Enthusiasm was based, undoubtedly, in part on meeting together once again in the very pleasant surroundings of Florence with most gracious and enchanting hosts. The 25th International Congress on Physiological Sciences held in Munich the following week also provided the impetus for the organization of this satellite symposium on vaso peptides. However, the accelerated pace of research in the kinin field was the major motivating force for the symposium. It was felt necessary to inform each other of the many advances that were taking place in the varied aspects of this specialized but important field. The role of kinins in both physiologic and pathologic processes still remains to be elucidated definitively. Thus, these proceedings contain new and unpublished information on the chemistry, biochemistry, physiology, pharmacology, as well...
