Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Discover the Secret to Being a Secret. Online Imagine if you could remain hidden from prying eyes on the internet. If you could leave zero traces or clues to your online whereabouts. Just picture being able to evade Big Brother watchdogs that hawkishly observe the internet, invasively prying on all your personal affairs. You d be able to vanish without a trace, leaving authorities and overseers sratching their heads, unable to figure out how the hell you evaded their surveillance systems. But is all this a reality? Is remaining hidden and anonymous online acheivable? Well, with Tor and the Darknet, it ABSOLUTELY is! So you know, Tor is a network made up of volunteer operated servers that give people the opportunity to improve security and privacy while browsing the Internet. Those who use Tor can do so through connecting to virtual tunnels as opposed to making a direct connection. This allows users to share information on public networks without worrying about compromising their privacy. It also lets users access destinations on the Internet that would otherwise be blocked. And up until now, there has been very little progress made in the way of penetrating Tor completely. If used properly, surveillance agencies should not be able to see internet activity. And now, with this comprehensive book, you ll learn ALL the secrets to remaining hidden in plain sight -away from snoopers, watchdogs, nosy Nancies, power trippers, authority figures, and slimy marketers. Inside this book You ll discover: How to use Tor without getting caught Which browsers are safest to use with Tor Can you use Tor on Google? The answer may surprise you How to avoid getting spotted using Tor How to access and use...
