David Quintieri's book, The Money GPS, takes the complexity of the financial system and transforms it into simplicity. The frequent use of diagrams and charts allows the reader to learn visually, making a complex subject easy for anyone to learn. The clock is ticking in this world of paper money. Unpayable debts are piling up all over the world and are attempted to be resolved by adding even more debt. This system will COLLAPSE, creating the greatest wealth transfer in the history of the world: from those who hold paper, to those holding real assets. The Money GPS empowers and prepares the reader in these uncertain times.
