

## Time Jumpers (Paperback)

By Glenn D Cypher

Piscassic Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Scott and his friends are five ordinary teenagers until the day they discover a cave along a southern New England river. Inside, they find what appears to be a crystal ball, but when Scott touches it, the object suddenly opens, and an old man in the form of a holographic image appears. The old man recruits Scott and his friends to travel back in time to alter an event in history that will ultimately cause disastrous effects on mankind's future. He chooses Scott to lead the mission, a decision that doesn't set well with Nick, his closest friend. They know the mission could be dangerous, but what they don't know about themselves could prove to be even more dangerous. While the mission will test their ingenuity, how they cope with their own internal struggles and fears will test their friendship. Join Scott, Kelly, Jordan, Cam and Nick in this fast-paced action adventure story.

### Reviews

*Very beneficial for all type of folks. It can be rally intriguing through studying time. You will like how the writer publish this ebook.*

-- **Nathan Cruickshank**

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
