Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

BRUTAL LONDON 2016 (HARDBACK)

September Publishing, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. A photographic exploration of the post-war modernist architecture of London. This collection of unique and evocative photography of Brutalist architecture by Simon Phipps casts the city in a new light. Arranged by inner London Borough, BRUTAL LONDON takes in famous examples such as the Trellick Tower, the Brunswick Centre and the Alexandra Road Estate, as well as lesser known housing and municipal spaces. It serves as an introduction to buildings the reader may see every day, an invitation to look differently, a challenge to look up afresh, or to seek out celebrated Brutalism across the capital. The book's portable size and maps for each borough make it useful and practical; while the design, by leading agency A Practice for Everyday Life, echoes the aesthetic of Brutalist architecture with rough textured edges and fonts inspired by the site maps of modernist estates. Finalist for the British Book Design and Production Awards 2017, Photographic Books, Art / Architecture Monographs.
