Xulon Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Then The Rain Came by Jami Tadda, takes the reader along on an emotional and spiritual journey through personal crisis, financial meltdown, and spiritual redemption. Inspired by true events, Tadda gives an autobiographical account of her personal walk with The Lord in both good and bad times and the life altering lessons learned by both. Thought provoking and gut-wrenchingly honest, Then The Rain Came is a touching saga and a visible testimony of the Grace of God. Jami Tadda lives in Arizona with her husband. Many images come to mind when we think of a wilderness. We often envision steep drop-offs, desolate dry stretches, impenetrable paths, and dangerous predators lurking in the shadows. All those things may indeed be present, but the wilderness also offers sheltered coves of rest, refreshing wild berries for the taking, tall trees that protect from the noonday sun, and gentle rains that come unexpectedly, refreshing and renewing our weary souls. Jami has walked through her own wilderness experience, and although she has faced tremendous challenges, she has also found growth and joy in the unanticipated places of rest and in God s rains of refreshment. Would that we could all embrace our wilderness experience as insightfully as Jami does hers! For in it, we find our God, our purpose for life, our character, even our very selves. Now we see but a poor reflection; then we shall see face to face. Now, I know in part; then I shall know fully, even as I am fully known. (1 Cor. 13:12) -Monica.
