

Siborne s 1815 Campaign: Volume 1-The March to Waterloo, Gilly, Ligny Quatre Bras (Hardback)

By William Siborne

Leonaur Ltd, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From Elba to Ligny and the eve of Waterloo Histories of the Battle of Waterloo abound, but this three volume set, covering the entire campaign, is truly exceptional and unique. For anyone who knows anything of the subject, the author s name reveals all. A contemporary of the events, it was Siborne who built the famous model of the battle and he who corresponded with dozens of the soldiers who fought during the conflicts of 1815 in Belgium and France to create a huge resource of information on the final defeat of the First Empire of the French. Siborne s Waterloo Letters are famous and are the most comprehensive and essential of all source material of the campaign. This book, originally produced as one large volume, was the work which resulted from Siborne s research and is, therefore, unparalleled. The Leonaur Editors have represented Siborne s text making it more accessible to modern readers and added illustrations, diagrams and maps which were not present in the original edition. The complete work has been divided into three volumes each covering a different aspect...
