(Mrs. Piper Jacobi)

TELLING TALES: A MEMOIR GUIDEBOOK (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This guidebook is not about grammar or about the importance of correct English. It is about your memories, how to bring them forward in all their pregnant splendor, and how to successfully capture them as written stories. Written well, your life and your experiences, will entrance your readers with even the humblest of recollections. These individual stories, well told, become your personal memoir, a written legacy. Alex Haley once said, Whenever an old person dies, a small library burns. Early in my teaching I realized that I was a coach, a guide, a kind of midwife to my client s stories. They are the authors, and with my guidance, they celebrated the discoveries, adventures, courage, unexpected insights, love and humor of their Lives. I, the cheerleader, was the one who kept them on track, safe, and enthused. I wrote this book in response to my students repeated requests to come home with me, to keep them writing. Stories are about process. What did I do and why? What happened next? How did it change me? What did I learn from the whole experience? And how did other experiences in the following years change my earlier perspective? Many of us recognize that at least some of the experiences of our lives are important and are worthy of recording. However, these important stories only begin to touch upon the wealth of stories we contain, or the richness that we are as human beings. So many of us aren t aware of the treasures we have to share - and ask, Why would anyone be interested in what I have to say? But think about your favorite books, or movies, or musical...
