Createspace Independent Publishing Platform, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The true child of God will go through severe testing in this life. Simply stated, this short life IS a test. As with any test, we will encounter many choices, decisions, problems, and difficulties along the way. God knows this, and He knew it before He placed each of us on this Earth. This is why He gave us His Word . the Bible. God speaks to Mankind (whom He created) through the Bible and lovingly offers Wisdom, guidance, and direction to help us through the choices and decisions we will confront throughout this life. If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him. But let him ask in faith, with no doubting, for he who doubts is like a wave of the sea driven and tossed by the wind. (James 1:5-7).
