Excerpt from Third Annual Report of the Directors of the Copper Falls Mining Company, 1852: With the Report of Samuel W. Hill, Superintendent of the Mine, and the Charter and by-Laws of the Company The Directors of the Copper Falls Mining Company submit to the Stockholders their third annual report, for the year ending April 1st, 1852. As none of the previous reports of the Company have been printed, and as many of the present Stockholders have become such within the past year, the Directors deem it proper to give a brief review of the history of the Company. The Copper Falls Company, to whose rights and property this Corporation succeeded, was formed October 16th, 1845, under articles of association, for the purpose of prosecuting mining operations on the lands embraced in Lease N o. 9, granted by the War Department to Hon. David Henshaw. Some preparatory work was done by this Company in 1845, but active mining was not commenced till 1846.
