

Security 101: Patrol Officer (Paperback)

By Mr Philip J McNicholls

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Security 101 Patrol Officer is an operational aide memoir for new industry entrants and seasoned professionals working in a public facing security role. Combining training elements with case studies and the observational opinion of a seasoned professional. Allowing the reader to gain valuable insight into the industry through the authors 20 years experience. Learning the importance of approach, review and even philosophy. Security 101 will teach you step by step in order to guide you and show the importance of following a staged plan in order to assist others, investigate incidents and support outside agencies. In the 21st century more and more is being asked of those that work in customer facing security roles. Modern technology means at no other time in our history has the microscope been firmly placed on the actions of the individual and as such a uniformed customer focused approach is required. One that understands the need to continually raise standards and take responsibility as an individual in order to create success. This book will instill the importance of a review and debrief culture, allowing...
