ONE CHANCE FOR GLORY: --FIRST NONSTOP FLIGHT ACROSS THE PACIFIC (PAPERBACK)**DOWNLOAD**

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Edward T. Heikell and Robert L. Heikell mix history with some fiction to create a well-rounded view of lesser known pilot Clyde Pangborn in One Chance for Glory: First nonstop flight across the Pacific (ISBN 1468006088). Pangborn was the first pilot to successfully cross the Pacific Ocean nonstop, but his accomplishment was lost in the shuffle of other pilots who accomplished great things and became household names. The Heikell brothers contacted sources who were associated with Pangborn during the time of his flight, and all questioned why Pangborn's incredible feat was never advertised in history books. During the era of pilots like Amelia Earhart, Charles Lindbergh and Jimmy Doolittle, Pangborn was overlooked; however, some suspect it was a result of a gag order placed on him by the sponsors of his trip. The Heikells use emotions and fictitious conversations to piece together what sketchy historical information existed about the flight and link the emotional stresses that must have existed between Pangborn and his loved ones. The book is based on history, but some of it had to be fiction, Edward Heikell says. Actual pictures of the event have been included, but all of the conversations, emotions, some people and sub stories were made up to make a complete story out of the fragmented history trail. Pangborn and his co-pilot Hugh Herndon Jr. ventured on their trip to save the barnstorming business and make a name for themselves. A dangerous journey within itself, Pangborn was shocked when he discovered Herndon was not the flyer he appeared to be, thus nearly killing them on numerous occasions. The discovery of situations like this prompted the Heikells to add in made-up emotions that would present a...
