ONTRACK DEVOTIONS EXPEDITION SERIES LADYL LAYING DOWN YOUR LIFE JOHN 1512-13**DOWNLOAD**

Pilgrimage Educational Resources. Paperback. Condition: New. 24 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. According to the apostle John, true Christ-followers are proven by their love that sacrifices as a natural outflow of the regenerated life. So what does that look like? Scripture paints a pretty clear picture, and it starts with Jesus Himself. His love isn't driven by a self-gratifying emotional outcome. It isn't dependent on the actions of the loved. It cannot be earned. His love is intense, intentional, complete, unfettered and it's active. Designed to Weave Truth and Life We originally developed the Expedition Series to integrate seamlessly with our Wilderness Institute events. The structure works through a very intentional flow of framing, experiencing and integrating, that weaves the Biblical text with the ministry event experiences for a powerful learning dynamic. This flow is designed on both the macro (whole week) level and on the micro (daily) level. Whether you are running a wilderness trip, a missions trip, residential camp, a conference or any other week-long ministry event, the Expedition series will add spiritual value through integrated Bible study. Pre-Trip Framing Each Expedition Series devotional begins with some pre-trip elements that help to frame the study for the week. This can be done the first day of the event or in a group meeting or two in the lead-up to the event. These elements are designed to both introduce the study and to help event participants lay some foundations that will maximize their learning during the week. Elements include the passage text (ESV), setting goals and writing commitments, a key foundation for accountability. Five Key Daily Elements 1. Journal: The reader is given space each day to log their experiences, questions and conclusions from the previous 24 hours to help frame what God might want to teach...
