

Picasso for Kids

By Margaret E Hyde

Pelican Publishing Co. Board book. Book Condition: new. BRAND NEW, Picasso for Kids, Margaret E Hyde, Small children are drawn to soft shapes and bright colors. Perhaps that is why Pablo Picasso was one the most famous artists in the twentieth century. His imaginative portraits and inviting subject matter reach the inner child in all of us. Picasso's exploration of color, style, and subject matter includes the popular form of Cubism, in which he experiments with geometric shapes, overlapping forms, and an indefinite sense of space. Margaret Hyde has chosen ten of the artist's twenty thousand works and presented them in a format accessible to small children. Portraits of the artist's son as a child, as well as Mother and Child, The Acrobat's Family with a Monkey, and Curtain for a Parade, stand next to cubist works, demonstrating the spectrum of the artist's capabilities. An assortment of colors and mediums are used to produce desired range, from inspiring curiosity through unlikely images to producing a calming effect with color choice. An indispensable guide included in the back of the book prompts parents to introduce questions and projects to children. Recognizing emotion in art, differentiating between mediums, and being able to name the...
