Dial Press, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book. An unusual love story about a little librarian on Cape Cod and the tallest boy in the world, The Giant s House is the magical first novel from the author of the 1994 ALA Notable collection Here s Your Hat, What s Your Hurry. The year is 1950, and in a small town on Cape Cod twenty-six-year-old librarian Peggy Cort feels like love and life have stood her up. Until the day James Carlson Sweatt--the over tall eleven-year-old boy who s the talk of the town--walks into her library and changes her life forever. Two misfits whose lonely paths cross at the circulation desk, Peggy and James are odd candidates for friendship, but nevertheless they soon find their lives entwined in ways that neither one could have predicted. In James, Peggy discovers the one person who s ever really understood her, and as he grows--six foot five at age twelve, then seven feet, then eight--so does her heart and their most singular romance. The Giant s House is an unforgettably tender and quirky novel about learning to welcome the unexpected miracle, and about the strength of choosing to love in a world that gives no promises, and no guarantees.
