

## Why People Don't Heal and How They Can

By Caroline M. Myss

Random House USA Inc, United States, 1998. Paperback. Book Condition: New. Pbk.. 226 x 150 mm. Language: English . Brand New Book. Why does a clean-living person get sick, while a more obvious candidate stays healthy? Why does someone with a fatal illness suddenly become well, while another with a more benign condition dies? In *Why People Don't Heal and How They Can*, best-selling author, medical intuitive, and teacher Caroline Myss explores the deep-seated, spiritual causes of illness, and the symbolic lessons that underlie it. In the 1980s, when the New Age movement was growing like crazy, people began to express a willingness to take responsibility for their illness, says Myss. We were all convinced that complete recovery of health was just one psychological insight away. Yet after a few years of trying every available healing regimen and publicly sharing the inner wounds of their psyches, people still didn't get well. As frustrated and puzzled as everyone else, Myss privately began to wonder if somehow they were all on the wrong track. Then in 1988 Myss had an experience that made her realize the power that lies in being wounded. One day, in passing, I introduced a friend...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better than never. I found out this book from my dad and i encouraged this pdf to find out.*
