LIFE AFTER DEATH REDUX

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Everybody dies. Some more than once. Historically, this was one of the first books that presented interviews of people who told of their perceptions of floating out and seeming to hover over their bodies. Reading the stories of people's near death experiences, reveals that life's experiences are taken with you to the Other Side, but they seem much less important than what...
