Down the Islands The Expedition of a Philatelist An imaginary journey to far away places with strange sounding names Stamps may be small, but they make a big impact. For generations, people have treasured stamps because nothing equals their combination of artistry, history, delight and surprise. Come and take a trip down memory lane with me, a Philatelist, as I travel down the islands from Bermuda in the north to Guyana in the south, touring the Caribbean and collecting stamps. Your fondest memories will be brought to life through these stunning stamps! These stamps will transport you back in time with their vibrant, eye-catching designs and rich historical value. This book shows on 285 fully illustrated pages stamps from Joseph Sabga's extensive collection. The Caribbean's remarkable visual history is told through these beautiful and memorable stamps. They created a permanent record of...
