

## Diana Victrix (Paperback)

By Florence Converse

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is a welcome addition to the novels we owe in these later years to Southern authors. The scenes are in New Orleans, the White Mountains, New York, and Boston. The Southern type of woman is contrasted with the Northern very fairly and in an effective way; the modern tendency to very strong friendships between women forms an interesting feature of the story; and the aim and aspirations of the modern bachelor-woman are delineated with much skill. Two of the leading characters are young women from Boston, college graduates; and their experiences in a New Orleans family, and the experiences of the family also, are set forth with admirable knowledge and effect. The dialogue is sprightly, the style noticeably good, -- and, in short, Diana Victrix is quite sure to be pronounced an uncommonly good novel. --Atlantic Monthly, Vol. 80.
