Jasmine Hunter finds herself knee deep in a decadent vampire nest in Prague. A killer lurks the medieval city and is preying on blood donors who frequent the home of the local Vampire Mistress. With her teammates from Scotland Yard in tow Jasmine, must attempt to discover the murderer s identity. But will things go to plan? Sex dungeons, submissive human pets, and sexy dominant males are a lot for a rookie to cope with. Especially when Eric is the last person she expects to see. Requested to assist with the hunt for a vicious serial killer by an old friend, Eric is left speechless to find Jasmine offering herself up as food. The attraction between them is burning as red hot as before, and his lust for the feisty female is just as deep. More disturbing, his emotions which he normally has leashed, once more slip in her presence. Yet this time they feel different. Darker, primal, and savage yet Eric cannot explain why. The insidious pull of the other predators around him is also more than a sweet temptation he finds himself unable to resist. Combining forces, Jasmine and Eric must play the parts of Master and submissive. But nothing is as it seems. Can they work out who the killer is in a household full of deception and secrets before it is too late? Or will a price be paid in blood.
