Reviews

Completely essential go through book. It really is simplistic but excitement inside the 50 % of the pdf. I am very easily will get a satisfaction of studying a composed book.
(Damian Poulos)

EATS

Tundra Books. Board book. Book Condition: new. BRAND NEW, Eats, Marthe Jocelyn, Tom Slaughter, With a fresh cast of animal characters -- and what they eat -- the creative team of Marthe Jocelyn and Tom Slaughter has produced another work in their award-winning series for very young book and art lovers. Marthe Jocelyn's simple concept of matching creatures -- familiar and unusual -- with their favorite foods is brought to life by the sparkling colors and masterfully cut paper shapes of Tom Slaughter's illustrations; a first taste of modern art. And the surprise final picture makes a satisfying dessert. Previous titles have received acclaim from Japan to Denmark, from France to Mexico. Enhancing a child's visual and verbal vocabulary, Eats makes a joyful addition to the collection. "From the Hardcover edition."
