COMMUNITY DISASTER VULNERABILITY

Condition: New. Publisher/Verlag: Springer, Berlin | Theory, Research, and Practice | This book examines how disasters affect at-risk populations, such as the poor and the elderly, beginning with factors that contribute to disaster risk. It integrates vulnerability and resiliency theories within a stress and coping framework. | Disaster vulnerability is rapidly increasing on a global scale, particularly for those populations which are the historical clients of the social work profession. These populations include the very young and very old, the...
