(GLBA) 6 was enacted to ensure the privacy and security of personally identifiable information handled by financial institutions. Title V of GLBA requires financial institutions to provide notice to customers of a possible disclosure of non-public personal information to non-affiliates and an opportunity to opt out of such disclosure. This non-public information includes an individuals address, as well as social security number, telephone number, and mothers maiden name. The prohibition against disclosure of this information without notice and the ability to opt out are subject to statutory exceptions provided in GLBA. These exceptions allow for disclosure primarily for reasons of law enforcement, prosecution, or fraud prevention. GLBAs Privacy Rule for re-disclosure binds recipients of non- public personal financial information. The GLBA requires financial institutions to adopt and implement appropriate safeguards for the personal information of their customers. 7 ----- 6 15 U. S. C. 6801-09 7 15 U. S. Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
