Are you concerned about the amount of sugar, processed meals, and low-nutrient foods that you and your family consume each day? Has mealtime solely become about getting something (anything!) on the table and getting it done? Has family meal-planning become an overwhelming chore of trying to balance limited time, money, and different tastes? If you answered yes to any of these questions then **Get Your Family Eating Right!** can help you reclaim family mealtime. Studies are clear.
