Impact Christian Books. Paperback. Condition: New. 76 pages. Dimensions: 7.8in. x 5.2in. x 0.3in. Many today have been taught that the only way to receive healing is to have personal faith for your specific healing. We must, it is implied, somehow work up or develop enough personal faith in order to be healed, and then we will experience God's move on our body. The implication is that our personal faith is the determining factor, and it will in some manner acquire our healing. There is good news, however, because that teaching is simply not true! There are more ways of being healed than just personal faith, as we have been taught. Jesus, for instance, ministered to the problem of blindness in at least five different ways on various occasions. He was, and is today, creative in His methods. He knows exactly how to minister to the needs of individuals at the level of their spiritual as well as their physical need. Let the simple message contained in this book encourage your heart, your mind and your soul as you seek the Source of true love and compassion for your healing Jesus Christ.
